**KOBELCO Construction Machinery USA
Enhances Partnership with Scott Equipment**

Houston, TX – KOBELCO Construction Machinery USA continues its forward momentum in the relaunch of its excavator line by continuing their relationship with Scott Equipment Company, LLC in Louisiana and Arkansas and expanding that relationship to include Scott’s stores in Mississippi and Tennessee. In addition to these locations, Scott VanKeppel, LLC, a sister company of Scott Equipment, has picked up the line in the states of Nebraska and Iowa. All locations will represent KOBELCO’s full line of excavators.

Scott Equipment has been a long-time KOBELCO dealer and was one of the first dealerships to solidify an ongoing relationship with KOBELCO following the brands independent relaunch earlier this year. KOBELCO is pleased to have Scott Equipment on their team. “We are thrilled that Scott has decided not only to continue representing KOBELCO in Louisiana and Arkansas, but also that they have expanded their relationship with us to include additional states and locations. That speaks strongly to the relationship we’ve developed with them over the years,” states Ron Hargrave, Vice President Sales and Marketing.

KOBELCO has long been known for its world class line of excavators in the 3,000 lb. to 180,000 lb. classes. By focusing on a single line of equipment and dedicating their research and development dollars to improving and enhancing this singular line, the company has become known as excavator perfectionists, ensuring they deliver excavators that can withstand the day-to-day rigors of demanding

jobsites, while providing operators with all the production and comfort features required for a profitable days work.

The staff of Scott Equipment will be working closely with KOBELCO to gain the required sales and product support training to deliver on KOBELCO's promise of customer satisfaction. Scott Equipment Company and Scott Van Keppel will provide professional sales and service support on all KOBELCO excavators from their branch locations in Alexandria, Shreveport and Monroe, Louisiana, Texarkana, Mabelvale, Ft. Smith and Springdale, Arkansas, Jackson, Mississippi, Memphis and Laverne, Tennessee, Omaha, Nebraska, Ankeny and Cedar Rapids, Iowa.

KOBELCO Construction Machinery USA is dedicated to producing a full range of crawler excavators for the rental, landscape, construction, aggregate, roadbuilding, material handling, site preparation, recycling and ancillary markets, including zero tail swing, standard, long-reach and compact models. KOBELCO machines are well-known for their advanced technologies including an innovative noise and dust reduction system, advanced hydraulic circuitry for reduction of pressure loss and superior fuel efficiency.
