**KOBELCO Construction Machinery USA Designates
Abilene New Holland as Dealer in Texas**

Houston, TX – KOBELCO Construction Machinery USA continues its forward momentum in the relaunch of its excavator line by expanding their dealership representation to include Abilene New Holland. Abilene New Holland will represent KOBELCO’s full line of excavators in Texas.

“Carrying the KOBELCO line has allowed us to provide our customers with quality machines and second to none service,” states Mick Hammond, General Manager of Abilene New Holland. “KOBELCO has played an enormous role in our company’s success and we are certain that the new era of KOBELCO will only reinforce that success.”

KOBELCO has long been known for its world class line of excavators in the 3,000 lb. to 180,000 lb. classes. By focusing on a single line of equipment and dedicating its research and development dollars to improving and enhancing this singular line, the company has become known as excavator perfectionists, ensuring they deliver excavators that can withstand the day-to-day rigors of demanding jobsites, while providing operators with all the production and comfort features required for a profitable days work.

The staff of Abilene New Holland will be working closely with KOBELCO to gain the required sales and product support training to deliver on KOBELCO’s promise of customer satisfaction. Abilene New Holland will provide professional sales and service support on all KOBELCO excavators from their Abilene, TX location.

KOBELCO Construction Machinery USA is dedicated to producing a full range of crawler excavators for the rental, landscape, construction, aggregate, roadbuilding, material handling, site preparation, recycling and ancillary markets, including zero tail swing, standard, long-reach and compact models. KOBELCO machines are well-known for their advanced technologies including an innovative noise and dust reduction system, advanced hydraulic circuitry for reduction of pressure loss and superior fuel efficiency.
