**KOBELCO Construction Machinery USA Appoints
All Island Equipment as Dealer in New York**

Houston, TX – KOBELCO Construction Machinery USA continues its forward momentum in the relaunch of its excavator line by expanding their dealership representation to include All Island Equipment. All Island Equipment will represent KOBELCO’s full line of excavators throughout Long Island and the Five Boroughs.

“KOBELCO’s product line has been well-received at All Island for many years,” states Gary Wade, President of All Island Equipment. “We feel strongly that these machines are the best in the industry which is why we can comfortably recommend them to our loyal customers time after time.”

KOBELCO has long been known for its world class line of excavators in the 3,000 lb. to 180,000 lb. classes. By focusing on a single line of equipment and dedicating its research and development dollars to improving and enhancing this singular line, the company has become known as excavator perfectionists, ensuring they deliver excavators that can withstand the day-to-day rigors of demanding jobsites, while providing operators with all the production and comfort features required for a profitable days work.

The staff of All Island Equipment will be working closely with KOBELCO to gain the required sales and product support training to deliver on KOBELCO’s promise of customer satisfaction. All Island Equipment will provide professional sales and service support on all KOBELCO excavators from their West Babylon, New York location.

KOBELCO Construction Machinery USA is dedicated to producing a full range of crawler excavators for the rental, landscape, construction, aggregate, roadbuilding, material handling, site preparation, recycling and ancillary markets, including zero tail swing, standard, long-reach and compact models. KOBELCO machines are well-known for their advanced technologies including an innovative noise and dust reduction system, advanced hydraulic circuitry for reduction of pressure loss and superior fuel efficiency.
