**KOBELCO Construction Machinery USA Appoints  
Baschmann Services as Dealer in New York**

Houston, TX – KOBELCO Construction Machinery USA continues its forward momentum in the relaunch of its excavator line by expanding their dealership representation to include Baschmann Services, Inc. Baschmann Services will represent KOBELCO’s full line of excavators in New York.

“We have been affiliated with KOBELCO since 1999,” states Peter Baschmann, President of Baschmann Services, Inc. “We look forward to re-launching the KOBELCO brand, working with the new KOBELCO team and representing their products for years to come.”

KOBELCO has long been recognized for its world class line of excavators in the 3,000 lb. to 180,000 lb. classes. By focusing on a single line of equipment and dedicating its research and development dollars to improving and enhancing this singular line, the company has become known as excavator perfectionists, ensuring they deliver excavators that can withstand the day-to-day rigors of demanding jobsites, while providing operators with all the production and comfort features required for a profitable days work.

The staff of Baschmann Services will be working closely with KOBELCO to gain the required sales and product support training to deliver on KOBELCO’s promise of customer satisfaction. Baschmann Services will provide professional sales and service support on all KOBELCO excavators from their Elma, NY location.

KOBELCO Construction Machinery USA is dedicated to producing a full range of crawler excavators for the rental, landscape, construction, aggregate, roadbuilding, material handling, site preparation, recycling and ancillary markets, including zero tail swing, standard, long-reach and compact models. KOBELCO machines are well-known for their advanced technologies including an innovative noise and dust reduction system, advanced hydraulic circuitry for reduction of pressure loss and superior fuel efficiency.
