**KOBELCO Construction Machinery USA Appoints  
Feenaughty Machinery as Dealer in Oregon and Washington**

Houston, TX – KOBELCO Construction Machinery USA continues its forward momentum in the relaunch of its excavator line by expanding their dealership representation to include Feenaughty Machinery. Feenaughty Machinery will represent KOBELCO’s full line of excavators in Oregon and southwest Washington.

“We are excited to have the opportunity to further build our relationship with KOBELCO,” states Brendan Green, Machinery Manager of Feenaughty Machinery. “We have seen firsthand the benefits of KOBELCO excavators and are happy to continue offering such productive machines to our customers.”

KOBELCO has long been recognized for its world class line of excavators in the 3,000 lb. to 180,000 lb. classes. By focusing on a single line of equipment and dedicating its research and development dollars to improving and enhancing this singular line, the company has become known as excavator perfectionists, ensuring they deliver excavators that can withstand the day-to-day rigors of demanding jobsites, while providing operators with all the production and comfort features required for a profitable days work.

The staff of Feenaughty Machinery will be working closely with KOBELCO to gain the required sales and product support training to deliver on KOBELCO’s promise of customer satisfaction. Feenaughty Machinery will provide professional sales and service support on all KOBELCO excavators from their Portland, OR location.

KOBELCO Construction Machinery USA is dedicated to producing a full range of crawler excavators for the rental, landscape, construction, aggregate, roadbuilding, material handling, site preparation, recycling and ancillary markets, including zero tail swing, standard, long-reach and compact models. KOBELCO machines are well-known for their advanced technologies including an innovative noise and dust reduction system, advanced hydraulic circuitry for reduction of pressure loss and superior fuel efficiency.
