**KOBELCO Construction Machinery USA Designates
Robert Green Equipment Sales as Dealer in Ontario**

Houston, TX – KOBELCO Construction Machinery USA continues its forward momentum in the relaunch of its excavator line by reaffirming dealership representation with Robert Green Equipment Sales of Gormley, Ontario. Robert Green Equipment Sales will represent KOBELCO’s full line of excavators in Toronto, North and East, Niagara, Bruce Peninsula, Guelph and Owen Sound, Ontario.

“We have been a single line KOBELCO dealer for more than 22 years because we are convinced KOBELCO delivers the highest quality excavators in today’s market,” states Robert Green, President and Sales Manager of Robert Green Equipment Sales. “We are elated to see the brand make its independent comeback and we look forward to continuing to offer our customers the excellent products and first class service KOBELCO stands for.”

KOBELCO has long been known for its world class line of excavators in the 3,000 lb. to 180,000 lb. classes. By focusing on a single line of equipment and dedicating its research and development dollars to improving and enhancing this singular line, the company has become known as excavator perfectionists, ensuring they deliver excavators that can withstand the day-to-day rigors of demanding jobsites, while providing operators with all the production and comfort features required for a profitable days work.

The staff of Robert Green Equipment Sales will be working closely with KOBELCO to gain the required sales and product support training to deliver on KOBELCO’s promise of customer satisfaction.

Robert Green Equipment Sales will provide professional sales and service support on all KOBELCO excavators from their Gormley, ON location.

KOBELCO Construction Machinery USA is dedicated to producing a full range of crawler excavators for the rental, landscape, construction, aggregate, roadbuilding, material handling, site preparation, recycling and ancillary markets, including zero tail swing, standard, long-reach and compact models. KOBELCO machines are well-known for their advanced technologies including an innovative noise and dust reduction system, advanced hydraulic circuitry for reduction of pressure loss and superior fuel efficiency.
