**KOBELCO Construction Machinery USA Appoints
Southeastern Equipment as Dealer in Indiana, Kentucky, Michigan and Ohio**

Houston, TX – KOBELCO Construction Machinery USA continues its forward momentum in the relaunch of its excavator line by expanding their dealership representation to include Southeastern Equipment. Southeastern Equipment will represent KOBELCO’s full line of excavators in Indiana, northern Kentucky, southern Michigan and Ohio.

“We have been selling KOBELCO products since 1985 when we sold our first KOBELCO excavator,” states Jon Wickline, Marketing Director of Southeastern Equipment. “We are very excited to continue to represent the brand and with the genuine KOBELCO back there is no question that Southeastern Equipment’s relationship with KOBELCO will continue to be a great one.”

KOBELCO has long been known for its world class line of excavators in the 3,000 lb. to 180,000 lb. classes. By focusing on a single line of equipment and dedicating its research and development dollars to improving and enhancing this singular line, the company has become known as excavator perfectionists, ensuring they deliver excavators that can withstand the day-to-day rigors of demanding jobsites, while providing operators with all the production and comfort features required for a profitable days work.

The staff of Southeastern Equipment will be working closely with KOBELCO to gain the required sales and product support training to deliver on KOBELCO’s promise of customer satisfaction. Southeastern Equipment will provide professional sales and service support on all KOBELCO excavators

from their Evansville, Fort Wayne and Indianapolis, IN, Burlington, KY, Holt and Novi, MI and Brilliant, Brunswick, Cambridge, Dublin, Gallipolis, Heath, Mansfield, Marietta, Mentor, Monroe, North Canton and Perrysburg, OH locations.

KOBELCO Construction Machinery USA is dedicated to producing a full range of crawler excavators for the rental, landscape, construction, aggregate, roadbuilding, material handling, site preparation, recycling and ancillary markets, including zero tail swing, standard, long-reach and compact models. KOBELCO machines are well-known for their advanced technologies including an innovative noise and dust reduction system, advanced hydraulic circuitry for reduction of pressure loss and superior fuel efficiency.
