**KOBELCO Construction Machinery USA Designates
Titan Machinery as Minnesota Dealer**

Houston, TX – KOBELCO Construction Machinery USA continues its forward momentum in the relaunch of their excavator line by expanding their dealership representation to include Titan Machinery. Titan Machinery will represent KOBELCO’s full line of excavators in the state of Minnesota.

“KOBELCO has always been an industry leader when it comes to the productivity and technology of their excavators,” states Tom Weidt, Store Manager of Titan Machinery. “We’re excited they are back as an independent brand in North America and we look forward to offering our customers a reliable product at a great price.”

KOBELCO has long been known for its world class line of excavators in the 3,000 lb. to 180,000 lb. classes. By focusing on a single line of equipment and dedicating their research and development dollars to improving and enhancing this singular line, the company has become known as excavator perfectionists, ensuring they deliver excavators that can withstand the day-to-day rigors of demanding jobsites, while providing operators with all the production and comfort features required for a profitable days work.

The staff of Titan Machinery will be working closely with KOBELCO to gain the required sales and product support training to deliver on KOBELCO’s promise of customer satisfaction. Titan Machinery will provide professional sales and service support on all KOBELCO excavators from their Rosemount, MN location.

KOBELCO Construction Machinery USA is dedicated to producing a full range of crawler excavators for the rental, landscape, construction, aggregate, roadbuilding, material handling, site preparation, recycling and ancillary markets, including zero tail swing, standard, long-reach and compact models. KOBELCO machines are well-known for their advanced technologies including an innovative noise and dust reduction system, advanced hydraulic circuitry for reduction of pressure loss and superior fuel efficiency.
