KOBELCO USA Appoints Regional Tractor as First Mini-Excavator Dealer

Katy, TX – KOBELCO Construction Machinery USA continues to expand representation in the North American market by adding Regional Tractor to its growing dealer network. Regional Tractor will be the first dealer to solely represent KOBELCO’s line of mini-excavators. Their territory will cover the Southern Ontario counties of Halton, Hamilton and Niagara.

“KOBELCO focuses on perfecting one product – excavators – and as a result, they deliver the highest quality machines,” says John Hepburn Jr., Vice President of Regional Tractor. “KOBELCO’s mini-excavators are designed from the operator’s point-of-view and provide as much comfort as the larger models. They also feature cutting-edge technologies to deliver quiet operation, reduce cycle times and enhance productivity. We’re proud to offer KOBELCO’s compact models to our customers and we have great confidence in the support and expertise of the KOBELCO team.”

KOBELCO has long been recognized for its world class excavators. In order to continuously improve its singular product line, KOBELCO’s team of engineers and field experts dedicate substantial time and effort into the research and development of today’s leading technologies and machinery. KOBELCO ensures its mini-excavators pack full-size performance and wide swing angles into a compact size, while providing operators with the production and comfort features required for a profitable days work.

The staff of Regional Tractor will be working closely with KOBELCO to gain the required sales and product support training to deliver on KOBELCO’s promise of customer satisfaction. They will provide professional sales and service support on KOBELCO’s compact models from their location in Freelon, Ontario.

Regional Tractor is a specialized compact construction machinery dealership with 25 years of experience serving the commercial, agricultural and landscaping industries. They offer KOBELCO's mini-excavators for sale or rent as well as full service maintenance and support. For more information on Regional Tractor or KOBELCO excavators currently in stock, please call 905-659-1094 or visit www.RegionalTractor.ca.

KOBELCO Construction Machinery USA offers industry-leading crawler excavators in the 3,000 lb. to 245,000 lb. classes including zero tail swing, compact, standard, long-reach, mass excavation, and demolition models. Well-known as the excavator authority, KOBELCO is committed to producing quality machines with advanced productivity-boosting features and innovative technologies. With premier capabilities such as no time limit power boost and exclusive independent travel, KOBELCO machines ensure superior performance and efficiency for the toughest worksite challenges.
