KOBELCO USA Names Grove River Machinery as Southeast Georgia Dealer

Katy, TX – KOBELCO Construction Machinery USA continues to expand representation in the North American market by adding Grove River Machinery to its growing dealer network. Grove River will represent the full line of KOBELCO excavators in Southeast Georgia.

“The KOBELCO brand has an excellent reputation for being a proven, high quality product,” states Dale Richbourg, Sales Manager of Grove River Machinery. “We saw an opportunity to become a KOBELCO dealer in our area and decided the brand would be a supreme addition to our current product line up. We look forward to providing our customers with innovative KOBELCO excavators for many years to come.”

KOBELCO has long been recognized for its world class line of excavators. In order to continuously improve its singular product line, the team of KOBELCO engineers and field experts dedicate substantial time and effort into the research and development of today’s leading technologies and machinery. KOBELCO ensures the delivery of excavators that can withstand the day-to-day rigors of demanding jobsites, while providing operators with all the production and comfort features required for a profitable days work.

The staff of Grove River Machinery will be working closely with KOBELCO to gain the required sales and product support training to deliver on the KOBELCO promise of customer satisfaction. Grove River will provide professional sales and service support on all KOBELCO excavators from their location in Richmond Hill, Georgia.

Grove River Machinery is a quality heavy equipment dealership with 20 years in business, owned and operated by Ken Richbourg, a construction industry veteran with over 50 years of experience. Grove River is committed to providing their valued customers with reliable sales, parts and service for the full line of KOBELCO excavators. For more information on Grove River Machinery or KOBELCO excavators currently in stock, please call 912-756-7854 or visit www.GroveRiver.com.

KOBELCO Construction Machinery USA offers industry-leading crawler excavators in the 3,000 lb. to 245,000 lb. classes including zero tail swing, compact, standard, long-reach, mass excavation, and demolition models. Well-known as the excavator authority, KOBELCO is committed to producing quality machines with advanced productivity-boosting features and innovative technologies. With premier capabilities such as no time limit power boost and exclusive independent travel, KOBELCO machines ensure superior performance and efficiency for the toughest worksite challenges.
