KOBELCO USA Expands Mini Excavator Dealer Network

Katy, TX – KOBELCO Construction Machinery USA continues to expand representation in the North American market by adding several compact machinery dealers to its growing network. AAA Equipment, Bridgeport Equipment, L&N Supply and Sound Heavy Machinery will solely represent KOBELCO’s mini excavator line in the US.

“We’re excited to offer our customers the reliability and value of KOBELCO mini excavators through our expanded network of mini-only dealers,” says Randy Hall, Vice President of Operations at KOBELCO USA. “These dealerships have a deep history of providing superior sales, parts and service to the landscaping, commercial property and residential construction industries. We’re pleased to have them join our growing network of dealers that offer KOBELCO excavators under 8.5 tons.”

KOBELCO has long been recognized for its world class excavators. In order to continuously improve its singular product line, KOBELCO’s team of engineers and field experts dedicate substantial time and effort into the research and development of today’s leading technologies and machinery.

KOBELCO ensures its mini excavators pack full-size performance into a compact size, while providing operators with the production and comfort features required for a profitable days work. The new mini excavator dealerships will be working closely with KOBELCO to gain the required sales and product support training to deliver on KOBELCO’s promise of customer satisfaction.

AAA Equipment of Nyack, New York is committed to providing customers with fast, high quality and personalized sales, parts and service and will represent KOBELCO in Rockland, Orange and Westchester Counties.

Bridgeport Equipment will represent KOBELCO mini excavators from their location in Bridgeport, Michigan. Their team exhibits an unparalleled commitment to excellence in customer service and is dedicated to delivering the best possible equipment, parts and service in central Michigan.

L&N Supply, a full service heavy equipment dealer in Dallas, Georgia, strives to deliver exceptional service to their customers. They will provide reliable sales, rentals, parts and service on KOBELCO mini excavators in northwest Georgia.

Sound Heavy Machinery is dedicated to delivering exceptional sales, rentals, parts and service on KOBELCO mini excavators from their locations in Raleigh, Fayetteville, Rocky Mount and Wilmington, North Carolina.

For more information on the new mini excavator dealers, or KOBELCO excavators currently in stock, please visit: AAA Equipment at www.EquipmentRentalsRocklandNY.com, Bridgeport Equipment at www.BridgeportEq.com, L&N Supply at www.LNSupply.com, and Sound Heavy Machinery at www.SoundHeavyMachinery.com.

KOBELCO Construction Machinery USA offers industry-leading crawler excavators in the 3,000 lb. to 245,000 lb. classes including zero tail swing, compact, standard, long-reach, mass excavation, and demolition models. Well-known as the excavator authority, KOBELCO is committed to producing quality machines with advanced productivity-boosting features and innovative technologies. With premier capabilities such as no time limit power boost and exclusive independent travel, KOBELCO machines ensure superior performance and efficiency for the toughest worksite challenges.
